WORKSHOP TEACHING

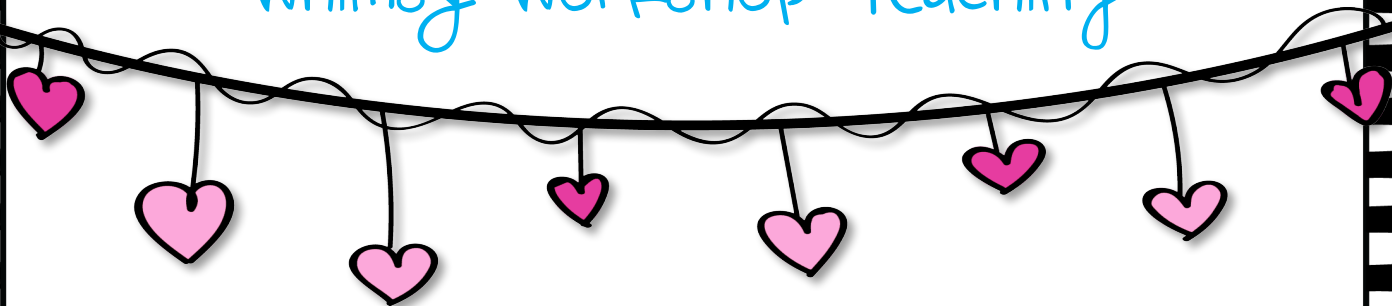

# Thank YOU for downloading this activity!

This activity is meant to accompany your class discussion about thankfulness. It can be done during Thanksgiving, or any time of year.

Students are reminded of the many things they can be thankful for by coloring the pictures. There are three blank spots for them to fill in their own ideas.

Some suggestions are:  
peace, freedom, good health, school, laughter,  
fun times, and happy memories.  
I hope you enjoy it!
